

4th International Conference on Responsible Consumption and Production

Organised by EURECA-PRO

📅 23-24 September, 2025 📍 Chania, Crete

Call for Papers

The **4th International Conference on Responsible Consumption and Production (INCORCP 2025)** organised by **EURECA-PRO** (the **European University on Responsible Consumption and Production**), will be held in **Chania, Crete, Greece**, on **23-24 September 2025**.

The goal of the Conference is to contribute to the subject of Responsible/Sustainable Consumption and Production of resources, goods, and services, under the umbrella of **Sustainable Development Goal 12** of the United Nations. It aims to promote innovative and sustainable approaches that foster prosperous societal and economic development, while relieving environmental pressures.

The Scientific Committee of the Conference invites the **submission of original research manuscripts (3 to 6 pages)** in all areas of Responsible/Sustainable Consumption and Production. Scientists and students in all sectors, including academia, education, industry and government, are welcome to submit their manuscripts. Areas of interest include, but are not limited to:

- Industry 4.0 and IT/AI
- Sustainable Global Health Promotion, Wellness and Care
- Transition to Clean Energy
- Sustainable and Just Society and Education
- Circular Economy

The abstracts of all accepted papers will be included in an ISBN-published **Book of Abstracts**. All accepted and presented papers will be published in an indexed **Proceedings** volume under the **Springer World Sustainability Book Series**. Selected papers will be invited for full article publication in a **special issue** of the journal **Circular Economy and Sustainability**.

Important dates

- Paper submission deadline: **31 March 2025**
- Acceptance/Rejection notification: **30 April 2025**
- Revised paper submission (for Book of Abstracts and Proceedings): **30 May 2025**
- Full paper submission (for Journal Special Issue): **15 October 2025**

The submission platform will open in January 2025.
